

Barbara C. Harris Camp & Conference Center
2009 Summer Camp Financial Aid Information

The Barbara C. Harris Camp's campership program reflects our commitment to providing all children the opportunity to attend summer camp. Financial aid is available to any child who wants to attend camp and needs help with the camp fee.

To apply for a campership complete the Campership Application and send it to the camp at the address listed on the form. Upon receipt of the Campership Application the camp will process the request and send you written notification of the campership.

The following guidelines apply to the campership program:

1. Campership requests are handled on a first come, first served basis.
2. Most camperships will be for 1/3 of the camp fee. Campers who need additional assistance beyond 1/3 of the camp fee will be handled on a case by case basis.
3. The camp does not provide any camperships for the entire camp fee. All families are required to pay a portion of the camp fee
4. To ensure as many young people as possible are served by the camp, campers will normally be provided a campership for only one session of camp each summer.

If you have any questions or need additional information please call the camp at (603) 547-3400.
